WISCONSIN GROUP MISSION IS TO PROMOTE SMALLER WHOLESALE BUSINESS IN WISCONSIN AND BEYOND, AND TO GATHER A GROUP TOGETHER WHO WILL HAVE POWER TO PROMOTE AND SELL THEIR PRODUCTS.

The Wisconsin Group is a promotion group that promotes retail and wholesale shows. Being a member of the Wisconsin group has benefits.

The Wisconsin group hosts 3 wholesale shows in Wisconsin per year.

Spring, summer, and fall.

These shows are trade shows that cater to retail shops, that want to meet manufacturers and see Wisconsin and beyond products.

All of the shows are cash and carry and order writing. (Wholesale only).

Vendors set up booths at these shows and show their products. Vendors should be able to take orders and do cash and carry sales.

To participate in the Wisconsin group shows you must be a member.

Membership into the Wisconsin group is 30.00 per year.

An application which is on line has to be completed and mailed or faxed in with your 30.00.

If you are not accepted into The Wisconsin group your 30.00 will be refunded.

If you are accepted into The Wisconsin group, your membership will be paid and you will be a member for that calendar year.

Membership dues will be due again in January of the next calendar year.

Members of the Wisconsin group receive a link from the Wisconsin group's web page to the Members web page. The member must write their own script and logo and e-mail it to Galen@thewisconsin.org. It will then be added to the site.

If you do not have a web page as a member we will use your e-mail address to allow buyers to make contact with you.

Members also have the privilege of selling their products on our wholesale web page.

This at this time has no monthly fee, and only commissions of 15% are billed to the members who have sold product off that web page.

Membership in the Wisconsin group has other discounts which are made available from time to time.

Every member has the opportunity to vend at 1, 2 or 3 wholesale shows.

Vender spots at the show will be filled with a system of percentages per category.

There is a limit to what one category can carry per show.

Not every member may get into each show. First come first served.

Each show has limited space.

Every member has the opportunity to vend at any or all retail shows that The Wisconsin Group promotes.
